School Bonds Before Voters Sept. 26

Boxing Show Is Slated Wednesday At Jeff Gym

The second annual Daly City Recreational Department's junior boys boxing tournament will be held next Wednesday evening at the Jefferson Union High School gym beginning at 7:45 p. m.

The event is the second of two night programs especially for adults to show the work of the Recreational Department's summer program. Last Wednesday there was a craft and hobby exhibit at the high school. There were also movies illustrating the ways and means community recreation facilities can be developed.

In conjunction with the boxing tournament next Wednesday evening there will also be tumbling and folk dancing exhibitions. The various evening programs climax the summer schedule of the local Recreational Department.

According to Coach Bob Seiler the young leather throwers are full of fight, and he adds that the tournament will be quite an exciting event.

The bouts set so far for next Wednesday include:

Danny Rasmussen vs. Bob McDonald, 60 lbs.; David Rasmussen vs. Mike Laramin, 90 lbs.; Ray Rosa vs. Richard McDonald, 100 lbs.; Palus vs. Douglas Vanderbloom, 140 lbs.; John Castro vs. Buck Clagain, 155 lbs.; Bob Gallagher vs. Henry Morgan, 160 lbs.; Harold Mueller vs. Jack Gruenwald, 170 lbs.

New Subdivision South Of Edgemar Calls For 750 Homes

Plans have been completed for the erection of a new 750 home subdivision south of Edgemar in what is believed to be the largest development on the San Mateo county coastside.

The value of the homes alone will be $7,500,000 exclusive of a large business district which will ultimately be built, according to Axel Johnson, president of the San Mateo Improvement Company, which is handling the sale of the houses.

The subdivision comprises 200 acres of land, stretching from the ocean up to the hills to within a thousand feet of the Skyline boulevard.

Work on the subdivision started last December and 100 houses now are near completion and many of the new owners already have moved in.

The area may be incorporated into a city or possibly into San Francisco but Johnson said that the decision will be made entirely by the residents.

HARRY WILLIS BUYS CLEANING PLANTS HERE

Harry Willis, the new owner of the Daly City Cleaners, 6287 Mission street, and the Westlake Cleaners, 293 Miriam street, intends to spend more than $10,000 for new equipment for his two stores within the next few weeks.

Willis took over the two cleaners this week. Both cleaners were formerly owned by Mr. and Mrs. Ernest Brooks.

Willis is already installing new equipment and machinery at the Mission street store. He is the past president of the A.F.L. Cleaners Union, Local 7, and formerly owned the Fay Cleaners in the Sunset District.

His wife, Reca, teaches in the Bayshore School District and they expect to move to San Mateo county within the next few weeks.

Dr. Gans Asks For Salary Boost To $12,000 Per Year

Dr. Charles C. Gans, county health director, calling his salary "a travesty on correct civil service alignment" this week asked for a pay boost and indicated that $12,000 a year would be a good wage.

The request was sent in a letter to the civil service commission. He said that two of his subordinates are getting paid more than the $614 a month he gets.

Dr. Gans asked for a salary boost only six month before he is to be retired at the age of 70 next February 2. It is understood that Dr. Gans has made the request so as to attract a suitable successor.

Police Question Daly City Youth On Auto Theft

A 15 year old Daly City youth is under questioning by local police in connection with the theft of a 1937 Ford coupe and $73.66 in cash from the Union Gas Station, School street and Junipero Serra boulevard on Tuesday evening.

The car belonged to Robert Timm of the Silver Moon Tavern, who had left it in the service station for repairs.

Charles Secco, of the service station, said he found the safe open and the money gone when he opened the station on Wednesday morning.

The famed Vatican Choir, which will appear in San Francisco at Exposition Auditorium, September 23-24, is shown prior to leaving Rome on the good-will tour that will take the singers to the major cities of the world. The choir, under the direction of Msgr. Licinio Refice, is making the tour at the behest of Pope Pius XII in the interests of international good will and amity.

Four False Alarms, Two Actual Fires Keep Firemen Alert

There were four false alarms last week. A small boy pulled the fire alarm box at Templeton and Bellevue avenues about 10 a. m. last Friday morning. Companies one, two and four responded.

Police Officer Heim said the alarm box was pulled by a boy who ran away. Police were unable to locate him.

On Saturday evening the fire alarm box at Vista and Santa Barbara was pulled and companies one, two and four responded.

There was a real fire, however, on Sunday when a fence in the rear of 214 Miriam street got on fire. Companies one, two, four and six responded.

On Tuesday there were two false alarms sounded within less than one hour of each other. The fire alarm box at the high school gate was pulled and companies one, two and six responded. Later the box was pulled at Mission and Wilson streets and company one responded.

Later that same afternoon there was a grass fire in the rear of 7123 Mission street. Companies one, two and six responded but the fire was put out before the companies arrived.

Postal Cards Will Replace Present Water Bill Forms

Government postal cards have replaced the large pink forms for the monthly water bill.

The new cards will be in the mail soon after the first of September and Arthur J. Bodien, superintendent of the water department, warned water department customers not to mislay or discard the new forms.

"They are just as important as the pink forms," he said. "And always remember to bring the card to the water clerk's office in the city hall when you are paying your bill."

The new cards will save much time and energy for the water department clerks. The saving is possible because the department purchased within the past month new addressograph and billing machines.

Here's One Bet It Doesn't Pay To Win

Nello Marchetti, 52, Colma barber, made a $20 bet with two California Highway Patrolmen early Monday morning. He dared the patrolmen to arrest him. He lost. He hasn't paid off his bet.

Marchetti was booked at the county jail on charges of drunkenness and disturbing the peace.

Highway Patrolmen Walter F. Swope jr. and Charles Eagan said they were having an early morning bite to eat at the Colonial Drive Inn when Marchetti wandered up, challenged them to a fight and then dared them to arrest him on the $20 bet.

Thread-Needle Club Work On Articles For County Store

The Thread and Needle Club of the General Pershing P.T.A. accomplished a great deal on the completion of hand made articles for the country store they will hold in the fall. The members met at the home of Mrs. Al Rosenberg, 973 Brunswick street, last Thursday and worked on the articles they are making such as tea towels, blouses, dresses and hand painted articles.

The next meeting will be held at the home of Mrs. George Woods, 1257 Brunswick street, at 10:30 a. m. So bring your lunch and stay all day.

JEFFERSON SCHOOL DISTRICT BADLY IN NEED OF FACILITIES

A bond issue of approximately $350,000 will be voted on by the Jefferson Elementary School District on Friday, September 26, R. L. Crane, superintendent of the Jefferson Elementary Schools, said today.

The location of the polling places and the exact amount of the bond issues will be announced next week.

The Jefferson School District comprises Daly City, Colma and a large unincorporated area. There are six elementary schools in operation at present.

In a survey made by the Board of Trustees earlier this year it was found that some of the schools are unsatisfactory or substandard as to structural adequacy. The report said that the Woodrow Wilson Elementary School should be replaced as soon as possible as the building is a dangerous and hazardous structure. It would be economically impossible, the survey found, and too costly to repair and alter the building.

Due to the rapid increase in population in the district the present school housing facilities are filled to capacity and there is no early sign of relief. In fact, new residential construction which has been planned will raise the school population even further because many of the families have children of school or pre-school age.

In a survey made in May it was found that the Jefferson School District must raise nearly one million dollars to provide facilities for the rapid increase in growth. The immediate needs were listed as: replacing Woodrow Wilson Elementary, $195,950; enlarging Woodrow Wilson Primary, $112,220; and building a new school between Broadmoor and Garden Village, $653,700.

But to meet this challenge the school district has only a little over $300,000 of bonding capacity.

The bonding capacity of an elementary school district is five per cent of the assessed valuation of the property in the district. The present assessment lists are about $7,000,000, the lowest in the entire county. There is also $51,500 in outstanding bonds against the district.

During the last few months a citizens committee has been meeting to find out some way of relief for the critical situation in the elementary schools.

If a bond issue of approximately $300,000 were passed by the voters, the tax rate for the first year would be .2437 on the basis of one and one half per cent.

If the bond issue is passed there may be some additional relief from state funds. The state legislature has provided some thirty million dollars for the relief of "distressed" school districts which have exhausted all legal means of financing.

To qualify for this state financing the district must tax to the limit and borrow to the limit.

Man Arrested Twice Last Week On Same Charge

Ray Smith, 141 5th street, San Francisco, was arrested twice last week on the same charge — being drunk in a public place.

He was jailed on Saturday and later released on $5 bail. He was ordered to appear before Judge Sweeney in court tomorrow.

On Sunday morning he was jailed again after being found on the sidewalk at Mission and Knowles streets. He was again jailed but released Sunday evening with the understanding that he would be out of Daly City in 20 minutes.

County Tax Rate Will Nearly Double That Of 1942-43

San Mateo County's basic tax rate was set at $2.0098 per $100 assessed valuation by the County Board of Supervisors on Tuesday. The new levy is the highest tax in history and 25 cents higher than last year's.

The rate was set for a six and one half million dollar budget, excluding taxes for the county free library.

Controller Fred Beer in presenting the estimated tax rate to the supervisors said that the net assessed valuation of the county property was $155,118,516.

Chairman Alvin Hatch defended the high tax rate. He said that much of the increase was for county salary boosts to put them in line with surrounding counties and the cost of living.

(What the new tax rate will mean for Daly City residents is easily determined from a comparison of last year's rate. Last year the total tax rate was $3.7873. This year's rate may be close to $4. Last year the basic county rate was $1.7642, but in Daly City there were additional levies which included Jefferson Special School, .8335; Jefferson School Bond, .0606; Jefferson High School Maintenance, .6958; Jefferson High School Bonds, .0489; San Mateo Junior College Maintenance, .3331; County Free Library, .0512.)

He also figured out that the tax rate for last year and this year would have been the same if last year's expenses for county salaries had been included in the budget before the passage of the tax levy.

Rates for the county since the beginning of the war have been: 1947-48, $2.0098; 1946-47, $1.7642; 1945-46, $1.3561; 1944-45, $1.1485; 1943-44, $1.07; 1942-43, $1.0554; and 1941-42, $1.2335.

Recreational Activities for Next Week

"Wind Up Week"—August 25 - 30

The following are the activities for the last week of the Daly City Recreational Department's ten week recreation program. A fall program will be announced soon.

Monday, August 25—Tournaments on all playgrounds; At high school — 10:30 - 11:30 a. m., girls' tumbling class; 11:30 a. m. -12:30 p. m., Chorus for boys and girls; 2 - 3 p. m., boys tumbling class; 7 - 9:30 p. m., basketball for adults; 7:30 - 9:30 p. m., boys boxing class.

Tuesday, August 26 — At high school — 10:10 - 10:20 a. m., community sing in auditorium; 10:30 a. m. - 12:30 p. m., free movies in auditorium, "Robinson Crusoe," "Championship Basketball," "Yosemite Park," cartoon and the last episodes of the "Last Frontier."

Wednesday, August 27 — evening program — 7:30 - 9:30 p. m., junior boys' boxing tournament plus tumbling exhibitions by boys and girls, public cordially invited and urged to attend; 7:30 - 9:30 p.m., folk dancing class for adults.

Thursday, August 28 — 7 - 9:30 p. m., basketball for adults.

Friday, August 29 — Thornton Beach Party, leave playgrounds at 10:30 a. m.; 7 - 9:30 p. m., basketball for elementary school age at the high school gym; 7:30 - 10 p. m., teen age dance at the recreation hall on Bellevue avenue.

INVESTIGATE INVESTIGATIONS?

The sudden postponement of the Senate war contracts investigation centering around Howard Hughes has left an odor even more obnoxious than the manner in which the investigation was handled.

The excuses given for postponement were flimsy and unconvincing and there is doubt if the investigation will actually be resumed.

But this brief fiasco has turned the public spotlight on congressional investigations to a greater extent than ever before. It has shown the need for a more orderly and intelligent handling of such affairs. It has even brought forth from some Democrats a demand that Congress investigate its own investigations.

Congressional inquiries into various matters are both proper and necessary. But if the lawmakers are to preserve, and deserve, public respect their investigations cannot be allowed to develop into carnivals or verbal brawls.

Actually, the committee in this instance didn't get down to its real purpose. Its 12 days of hearings were largely spent in name calling between Senator Brewster and Mr. Hughes, and discussing who picked up what check in which night club.

Undoubtedly there is much that Congress and the public should know about the way war contracts were obtained, but the only way they will find out is for the committee to get back on the job, soft pedal the fanfare and seek out pertinent facts.

DEMOCRATIC CONVENTION

The willingness—we might say the eagerness—of the Democrats to hold their national convention in California next year must have something more behind it than the mere desire to look over our scenery.

Their attitude is a recognition of California's importance in the 1948 campaign. If the race next year is close—and it may be remarkably so—they apparently hope that the Golden State will turn the tide in their favor once again as it did in Wilson's hairbreadth victory over Hughes in 1916.

Probably another angle in the matter is their concern over the support Wallace appears to have in California. By holding the convention here they could undoubtedly counteract much of that support.

Not since 1920 has California had a national political convention. At that time the Democrats met in San Francisco and nominated James Cox for the Presidency. They named a young chap in his late thirties for the Vice-Presidency. His name was Franklin Roosevelt. Remember him?

ANOTHER MARSHALL PLAN?

A good many South and Central American countries would like to have us set up another "Marshall plan" for their benefit. They seem to feel that as long as we plan to help Europe in this way we should do the same for them.

It's a good idea—from their standpoint. But from the standpoint of Uncle Sam's pocketbook it's quite different. In the first place—and contrary to the impression widely held outside the United States—our source of cash is not limitless. We can't carry the whole world on our shoulders. In the second place, Europe's need for aid is much more acute. Devastation there has been widespread. On the other hand, no bombs fell on our Latin-American neighbors.

Furthermore, our aim in Europe is to get it back on a self-sustaining basis. The other countries of the Americas need no such help. True, their overall living standards are not high but we can't be expected to take care of that for them.

We want real "hemisphere solidarity" but if our neighbors put a price on it, it wouldn't be worth having even if we were willing to pay the price. We can't buy friendship and cooperation.

INDIA

August 15, 1947 was one of the most momentous days in world history. Yes, in the noise and confusion of the world's warlike "peace" it passed with only a fraction of the attention it would have attracted under more normal conditions. On that day, as we know, Britain yielded control of India, and that vast sub-continent which holds nearly one-fifth of the world's two billion inhabitants was free at last. But it is an ominous freedom. Probably at no time in history has any people gained freedom who were so politically and economically unprepared for it. Added to these inadequacies is the fanatic and fantastic religious rivalry between the Hindus and Moslems which threatens to bring internecine war on a large scale. The Indians can hardly be said to have won their freedom. Rather, it has come to them as a gift—a gift born partly of Britain's desperate economic weakness and partly of the indifference of the British people toward maintaining control over this once "brightest jewel" in the British Crown. The Indians, nevertheless, are entitled to their freedom. Let us hope that they learn to use it wisely very soon.

Boys And Girls From Playgrounds Enjoy Outing Day

Last Thursday was "Outing Day" and each of the Daly City playgrounds had planned on a trip across the Golden Gate Bridge to Muir Woods. Instead they went on their separate ways and on separate days.

On Saturday seven boys and Director Glen Smith of the playground at Marchbank Park had their outing at San Jose where they saw a '49er football game. The group left at 5:30 p. m. and arrived in San Jose at 7 p. m.

Director Smith showed the boys around the state college grounds before they went to the Spartan Stadium for the football game. The boys really enjoyed the game as the scoring was fast and frequent. The red team won 33-28.

On Thursday there were two outing parties to Thornton Beach. Six boys and six girls from the Jefferson Union High School playground hiked from the school to the beach. They built a fire and roasted wienies and after lunch most of the youngsters waded in the surf. The group started home early in the afternoon and visited a riding academy on the way. The most interesting part of the outing proved to be that visit to the academy where the group saw the horses, stalls and the equipment rooms.

Aching legs and blistered feet were a common sight on the Crocker playground after seven boys and six girls returned from their hike and swim at Thornton Beach. The group hiked to the beach under the direction of Bob Seiler. Hot dogs, marshmallows, root beer and potato chips were enjoyed by the group after they swam and played football and softball.

On Thursday morning seven of Lincoln's boys climbed bravely on seven horses and started on a trail around Lake Merced. The group walked out of the stables and started on the trail but then suddenly one of the horses decided he would not go any farther. After exchanging this horse the group continued riding until they had gone all the way around Lake Merced.

Eighteen boys and girls from Jefferson Elementary playground spent a day hiking in the Black Hills. Starting in the foothills of Colma, the group hiked all the way to Geneva avenue. After resting and eating their lunches, the hikers started back to their playground by a different path. Many games were played and songs were sung along the way.

Clean The Cleaners

Car owners have a way of forgetting that cleaners have their limitations, that they will pick up just so much dirt, declares the National Automobile Club. At least once a year the cleaners should be cleaned or, in the case of the noncleanable types, filtered elements should be replaced.

FLORAL FIESTA SLATED TO BEGIN SEPTEMBER 9

Garden talk is replacing turf talk at the Bay Meadows race track these days where preparations are under way for the 1947 annual San Mateo County Floral Fiesta to take place September 9 through 14.

According to an announcement today by George Lagomarsino, president of the San Mateo County Fair Association, this lucky 13th annual flower show will be the largest in the history of the event, with "Gardens Through the Years" as its main theme.

Bay Meadows' huge track has been getting a face-lifting job for the past week to take care of the numerous Fiesta exhibits which will range from flower exhibits and outdoor gardens through agricultural and culinary exhibits.

In addition to 15 garden clubs who have registered exhibits, there will be a $50,000 orchid exhibit and a flowerfall of fuchsias at the entrance to the general exhibits in the flower division, Lagomarsino said.

New features of the Fiesta will be an Herb Day with the California Herb Society showing visitors how to distill pot-pourri and sachets, and an extensive Hobby Show, presenting everything from model trains and planes to miniature bottles and old-time moustache cups.

Ideas for decorating yards will be incorporated into the 500 square foot outdoor Peninsula living room, featuring the work of numerous landscape architects under the direction of John Boucher of San Carlos.

As a novelty exhibit, L. E. Silva of Hayward will present his six dray horses, to be ridden during the Fiesta, in a demonstration of pioneer methods of delivering kegs of beer and bottles of milk.

A General Motors "Preview of Progress" exhibit will display miracles of science, on the mezzanine floor of the theater from September 12 to 14. The science features will include showings of synthetics, atomic energy, light, cold stove, sound, infra-red waves, and jet propulsion.

Special events for smaller fry will be a bubble gum contest, entertainment by Jo-Jo the clown and his wife. Other events will include homing pigeon races, handicap airplane races, Boy Scout demonstrations, and free flights in light planes over the Fiesta grounds and adjacent San Mateo territory.

Improvement for the homes of tomorrow will be shown in 60 commercial enterprises from the county, whose emphasis will be on products making for better modern living.

Sport Fishing Boats

Sport fishing boats this week have been bringing in good catches of barracuda, halibut, and mackerel, from the waters off Los Angeles county, reports National Automobile Club. Pier fishing in this same area has been good recently.

Clear Lake Is Largest

Clear Lake is the largest body of fresh water lying wholly within California, declares National Automobile Club. The lake is 1350 feet above sea level, 35 miles long, from 1 to 10 miles in width, and covers an area of 84 square miles.

THE AMIR VISITS THE ADMIRAL

Admiral Richard L. Conolly, USN, Commander of Naval Forces, Eastern Atlantic and the Mediterranean, receives His Highness, Amir Saud bin Abdullah bin Jelewi, Amir of Hasa Province, Saudi Arabia, and members of his Royal Family on board the cruiser USS Toledo on the occasion of the Amir's return call on the Admiral. The Toledo, Admiral Conolly's flagship during his visit to the Persian Gulf, departed later for Japan to relieve the USS Fall River as flagship of Rear Admiral A. M. Bledsoe, USN, Commander of Cruiser Division One. *(Official U. S. Navy Photograph)*

BRAZILIANS IN ACTION—Equipped with American clothing, equipment and arms, this Brazilian Army ski patrol bears a startling resemblance to the GIs at whose side they fought in Italy during World War II. Though inexperienced in cold-weather fighting conditions, the Brazilian troops in Italy with the Fifth Army acquitted themselves well. Note the "tommy gun" carried by the leader of the patrol (left).

New Extension Center To Open In San Francisco

An increasing demand for courses in business administration and economics will be met by University of California Extension this fall, with the opening of a new San Francisco Extension Center at 140 Montgomery street. As in past years, classes also will be held at 540 Powell street, San Francisco; 1730 Franklin street in Oakland, and on the Berkeley campus.

Courses in accounting, radio advertising, industrial management, credit management, economics, English, speech, investments and finance, personnel administration, industrial relations, real estate, salesmanship, traffic management and world trade, will be included in the well-rounded business administration program, which begins in September.

A series of in-plant courses also are available to business firms, with special programs designed for and given to their own employees.

A number of business administration classes offered this fall may be taken for University credit, and certificates are awarded by the Department of Business Administration, University Extension, upon completion of specified course sequences.

Registration for classes, which are open to the public without regard to previous educational background, may be made at 540 Powell street, San Francisco, or at 1730 Franklin street, Oakland. Further information may be obtained from any University of California Extension center.

Fewer Small Farms

There were fewer small farms in 1945 than in 1940; about 250,000 fewer with less than 180 acres.

California Boys Win Craft Awards

Eichen Creany Bowmnn

CALIFORNIA WILL be represented by three of its best boy craftsmen when regional award winners in the 1947 competition of the Fisher Body Craftsman's Guild assemble in Detroit August 19-22 to compete for eight university scholarships, valued from $2,000 to $5,000. The trio includes Howard Eichen, 1963 Twenty-first Avenue, San Francisco, who won the first place junior award, and William A. Creany, Jr., 6133 Harcourt, Los Angeles, who took senior division honors in the model car design competition, and Bill Bowman, 6707 Benson, Huntington Park, who won first place in the Napoleonic Coach competition. Creany, a regional award winner in 1946, is making a second try for a university scholarship. An educational organization sponsored by General Motors, the Craftsman's Guild encourages the development of creative ability, handiwork and craftsmanship among 'teen-age boys.

Use Old Felt

When you are cleaning and sorting clothes, don't discard your old felt hats. Save them, as they can be useful. Cut to shape and use the felt for coasters or vase pads or for any other object that always scratches the table. Be sure colors are moisture proof.

Planting Spinach

Spinach may be planted as late as September 1. The ground should always be fertilized before a new crop is planted.

Huge Building

The Merchandise Mart building in Chicago could hold the entire population of the city standing. Located on the north bank of the Chicago river, the Mart houses much of the wholesale dry goods business.

Monthly meeting, Board of School Trustees, Jefferson School District, Administration Building, 344 Santa Barbara avenue.

8:15 p. m.—
Regular meeting, Colma Vista Grande Aerie No. 1848, FOE, 3346 San Jose avenue.

WILBUR FELLOWS IN MEXICO CITY

Wilbur Fellows, who was graduated from the San Mateo Junior College in June, is spending the summer in Mexico where he is a student at Mexico City College. He is planning to stay south of the border until early next year when he will enter the University of California.

* * *

Over two hundred students from Mexico City College made a trip to Xochimilco, the floating gardens of Mexico, last Saturday.

Xochimilco is a village about one hour away from the center of Mexico City. The village is spread over several of many small islands which are connected by a labyrinth of narrow canals. Many of these floating gardens are now covered with flowers, vegetables or trees.

When the valley of Mexico was first settled by the Aztecs it was but a land of lakes and a few islands. Gradually the Indians built a great network of man-made islands upon which they settled. These islands were built by making rafts of tree trunks and branches and covering them with soil. Today these tree trunks rest firmly on the lakes and form perfect growing lands.

At Xochimilco we visited the open air market where the girls in our group bought a few pieces of pottery. Later we visited the old and beautiful church which was constructed more than four centuries ago.

We went through the labyrinth on flat bottomed boats manned by a person with a long pole. Upon each of these small boats is an awning with a girl's name printed in flowers on the front, which makes a beautiful picture.

As we went gliding through the canals a marimba band on a nearby boat was playing and it made the day perfect.

After several hours the boat reached the beautiful British Club where we had a dance. After dancing for more than an hour we all left the beautiful gardens of Xochimilco and returned home after a wonderful day spent at the "Venica of America."

Eunice Delucchi And Louis Capurro Unite In Marriage

Miss Eunice Delucchi became the bride of Louis Capurro before the altar of the Holy Angels church on Sunday afternoon, August 3, in one of the most beautiful weddings of the year. Father McElligott performed the ceremony in the presence of many relatives and friends.

Eunice wore a heavy white satin gown with a four yard train fashioned with a fitted bodice, long sleeves, and a bustle. Her veil fell from an iced bead crown, trimmed with green leaves.

She carried one dozen orchids in her bouquet and the ribbon on the bouquet was one her mother had worn when she was married.

Preceding the bride were Miss Mary Olcese as bridesmaid and Miss Lorraine Lavagnino as maid of honor. They were dressed in aqua and both carried a large bouquet of yellow carnations.

Joan Cingolani and Patricia Favretto, the flower girls, were both dressed in yellow and carried large bouquets of carnations.

Albert Delucchi performed duties of the best man. The usher was Richard Cousins.

The mother of the bride wore a blue suit with gray accessories while the mother of the bridegroom wore black with aqua accessories. They each wore two orchids.

The bride, a daughter of Mr. and Mrs. Joseph Delucchi, is a graduate of the Jefferson Union High school. The bridegroom, a son of Mr. and Mrs. U. Capurro, is a graduate from the South San Francisco High school.

Following the wedding a reception was held at the Colombo Hall in Colma. The buffet table was decorated with white stock and gladiolas and was centered with a beautiful seven tiered wedding cake.

Precarious Climate

Crop failures are more likely to occur in India than in any other country in the world because of its tropical location and dependence on monsoon rains. Famine occurs in some portion of India every year, with widespread suffering every five or ten years and severe famine every 50 or 100 years.

Pillow Cases

The prevalent idea that pillows will last a lifetime, or can even be handed down through generations, is erroneous. Feathers are fragile, and waste away after long usage. The pillow loses its buoyant resilience, and is no longer effective as a rest for the neck muscles.

GUADALCANAL—5 YEARS

Half a decade has slipped by since that day in early August when American Marines, with scant naval support (the Navy had few ships available), began the task of turning back the tide of Japanese aggression. This was our first real offensive move in the war. Up to that time we had been kept busy scrambling around to defend ourselves after the sneak attack on Pearl Harbor had virtually wrecked our Navy. Reports of the landing on Guadalcanal electrified the Nation. Here was the first indications that we had recovered sufficiently to attack even though on a comparatively small scale. We knew there was a long road yet ahead but we felt that at last we were moving forward, not backward. Almost three years to the day of that landing the Japs surrendered and the war was over. The story of Guadalcanal, of the heroic and bitter struggle against enormous odds is one of the greatest of World War II, or any other war. It is a story the American people will long remember. It is a story they must never forget.

New Tuberculin Skin-Test Tried By Marine Corps Meds

The Navy Bureau of Medicine and Surgery has recently introduced the tuberculin skin-test in the physical examination of recruits in order to determine their fitness for duty in the Navy and Marine Corps.

A tuberculin skin-test already in wide use by schools, colleges and health agencies, will complement the X-ray examination of the chest which has been a routine procedure for all recruits for the past six years. The tuberculin test indicates whether or not an individual has been infected by the tubercle bacillus.

The X-ray is the best method to determine whether or not pulmonary tuberculosis may be present. If the chest X-ray film of a new recruit reveals a questionable lesion in the lung, a tuberculin skin-test becomes an important step in the further study of his case, since its proper use often permits the exclusion of tuberculosis from the list of possible causes of the lesion, because a repeatedly negative skin-test over an interval of several weeks nearly always means that the lesion is not tuberculosis.

The tuberculin test has another use of great value to the Navy. After testing all recruits, they will be separated into two classes. In one class will be placed those who have positive skin reactions, indicating that they have been infected by the tubercle bacillus before entering the Navy, and in the second class will be placed those with negative reactions or those who have not been infected. Both classes will be re-examined yearly by X-ray to make certain that no trouble has developed.

The tuberculin skin-test is the latest method the Navy has employed in its long struggle, first to control, then to eradicate, the menace of tuberculosis within the service, a struggle which has resulted in a fall of the admission rate for the disease from 551 per 100,000 in 1900 to 58 in 1944, and a fall of the mortality rate from 58.93 per 100,000 in 1900 to 3.65 in 1944.

Industrial Accidents

Between 80 and 90 per cent of all industrial accidents are caused by unsafe practices, while unsafe conditions are responsible for only 10 to 20 per cent. Estimates show that 16,000 to 19,000 persons are killed each year as a result of occupational accidents.

Hogs and Rickets

Successful Farming magazine says that it is thought dark-skinned breeds of hogs are more susceptible to rickets than light-skinned breeds. Reason is that the dark skins absorb less ultraviolet light rays from sunshine.

CHAPULTEPEC—Nelson Rockefeller signs the 1945 Act of Chapultepec on behalf of the United States as delegates of other American states look on.

PRICE INQUIRY

Somehow, we don't have the feeling that the Government's price investigation will correct whatever is wrong with the cost of living.

No doubt millions of words of testimony will be given in connection with it, charges will be made followed by denials and countercharges. And then when all is said and done we'll still be paying the same high, or higher, prices for everything we buy.

Even if we get prices lowered a little bit the saving would probably be offset in the overall national picture by the cost of the investigation.

Brother, you can't win!

END OF THEIR ROPE

Twenty-two officials of the notorious Buchenwald prison camp in Germany have reached the end of their rope—legally. The next step is the gallows itself. The crimes for which they were convicted were so monstrous and shocking as to be almost unbelievable. They were charged with the deaths of 53,000 inmates in the camp. On the same day their sentences were pronounced a group of 21 other Nazis—directors of the huge I. G. Farben Chemical Trust, went on trial in Nuernberg for their part in aiding Hitler to wage aggressive warfare. The American prosecutor, Brigadier General Telford Taylor, declared that without their willing help Hitler would never have been able to plunge Europe into chaos. Charges against them include plundering conquered countries, exploiting slave labor and experimenting on concentration camp victims. If found guilty of these charges their penalties should be no less severe than those meted out to the gang that controlled Buchenwald.

TIMES CHANGE

When Nellie Bly startled the world by traveling around it in the record time of 72 days late in the 19th century her name was on everyone's lips. Even today she is remembered. A week or two ago a young man circled the globe in a little more than 72 hours. Yet, we'll bet that hardly one person in 10 knows his name. In the approximately 60 years since Nellie's day the world has grown smaller and the people living in it have grown accustomed to spectacular feats. In these days difficult achievements are commonplace and the "impossible" draws hardly more than momentary attention. By the way, do YOU remember the name of the new world-record holder?

PLAY FOR CASH

We certainly can't blame Babe Didrikson Zaharias for cashing in on her athletic prowess. Anyone who can collect close to half a million dollars for swinging a golf club, instead of doing it for pretty trophies, ought to make the most of the opportunity. We'll bet that the gals she has beaten regularly in competition aren't crying because she has turned pro.

WAR MEMORIAL BUILDING PLANS NEAR COMPLETION

Plans are slowly being completed for the erection of the Daly City War Memorial and Civic Auditorium Building on Mission street.

During the past week the City of Daly City has made arrangements to acquire one of the seven remaining lots not now owned by the city on the proposed Mission street site near the high school. It is also understood that drawings of the proposed building will be completed within the next few weeks.

So far $19,000 has been spent for the acquisition of land on the rectangular plot of ground bounded by Alp avenue, Mission street and Hillside boulevard. In the present budget $16,000 has been set aside for the acquisition of the additional land. Seven lots remain to be purchased and present plans call for the acquisition of this land some time before the end of this fiscal year, or June, 1948.

Civic leaders are also working on an idea to have a bond issue of close to $455,000 voted on next spring probably at the regular election.

Plans for the new building have not been completed but from the preliminary drawings it is evident that it will be a two level building and the surrounding grounds will be landscaped and terraced. One of the levels will be on Hillside boulevard and the other on Mission street. The building will be used for city-wide meetings, for social events like the annual firemen's ball and for basketball games, boxing and wrestling programs that cannot be held at the high school gym.

Plans for the proposed War Memorial Building were started more than two years ago and one plan called for the use of the upper section of Marchbank Park, which the city already owns.

Last fall a county-wide bond issue to provide war memorial buildings in five cities was defeated.

Civic leaders said today that any future plans for a memorial building will have to be made by residents of Daly City. State funds will total less than $5,000 and no funds are available from county sources.

Isaac Cropley Passes Away

Isaac Henry Cropley, 71, owner of Bob's Auto Court in Colma, passed away at his home, 283 Station avenue, yesterday after a long illness.

Funeral services will be held tomorrow afternoon at 1 p. m. at the W. C. Lasswell and Co. funeral home under the auspices of the Crocker Lodge No. 454 F. & A. M. Inurnment will be in Cypress Lawn Memorial Park.

Mr. Cropley, a native of Mendocino City, lived in this community for the past 27 years.

He is survived by Mrs. Frieda Cropley, his wife; Walter Smith and Alex Leilja, brothers; and Mrs. Daisie De Boise, a sister.

Amputees in U. S.

Between 17,000 and 18,000 members of the armed forces lost arms or legs in the recent war, about 15,000 of them in the army. Serious as these figures are in terms of suffering and lifetime handicaps, the total number is not large in comparison to the amputations steadily occurring in civilian life. Estimates place these at roughly 30,000 per year. There are several hundred thousand amputees in the country's population. Many of these were industrial casualties that were incurred in war industry

SUMMONS

No. 43434

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

ARTHUR A. NEWHOUSE, Plaintiff, v. ALL PERSONS claiming any interest in, or lien upon, the real property herein described or any part thereof, Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA TO ALL PERSONS CLAIMING ANY INTEREST IN OR LIEN UPON THE REAL PROPERTY HEREIN DESCRIBED OR ANY PART THEREOF, DEFENDANTS, GREETING:

YOU are hereby required to appear and answer the complaint of ARTHUR A. NEWHOUSE, plaintiff, filed with the clerk of the above entitled court and county, within three months after the first publication of this summons, and to set forth what interest or lien, if any, you have in or upon that certain real property or any part thereof, situate in the County of San Mateo, State of California, particularly described as follows:

Lots 47 and 48 in Block 3, as designated on the map entitled "NORTH MILLBRAE SUBDIVISION NO. 1, SAN MATEO CO. CAL." which map was filed in the Office of the Recorder of the County of San Mateo, State of California, on December 2, 1907, in Book 5 of Maps at page 49.

AND you are hereby notified that, unless you so appear and answer, the plaintiff will apply to the court for the relief demanded in the complaint, to wit: a decree and judgment establishing that the plaintiff, ARTHUR A. NEWHOUSE, is the owner of an estate of inheritance, viz, the fee absolute title of the property described in the complaint and hereinbefore described, of the whole and each and every part thereof, against all of the world, and that there exists no adverse claims of any character whatsoever to the aforesaid title of the said plaintiff, and for such other relief as may be prayed for or authorized by the law and statute in such instances made and provided.

WITNESS my hand and seal of said court, this 12th day of June, 1947.

Peas Are Gamble

Although the garden pea is a most important food crop in America it is not well suited to small gardens in most parts of the country. Fresh peas are highly nutritious and delightful to eat, but they take too much seed, space, time and work to grow, harvest and prepare, in comparison with many other vegetables that might better be grown. They are sensitive to hot weather and are rather a gamble in many parts of the country.

Commuter Traffic

Commuter passenger traffic represented 36 per cent of all passengers carried in 1945 but only six per cent of the total passenger-miles of service.

Merchants Defeat Ocean View Nine By 4 to 3 Score

The Daly City Merchants defeated the Ocean View Merchants last Sunday afternoon in Marchbank Park. The score was four to three.

The Merchants collected ten hits while Ocean View got three. Lefty Hazel pitched a good game and got two for three. He knocked in two runs and scored once himself.

Lucia, Perada and Hazel were the batting trio. Lucia and Sylvestri both hit triples.

Herman Sick made a sensational catch in short right field and kept the Ocean View boys from making the fourth run.

The box score follows:

Jeff Playground Scores Highest In Tournament Play

The Jefferson Union High School playground became the champions of Daly City as a result of the tournaments held on August 14, "Tournament Day."

The high school won 14 of the tournaments. Other scores were: Jefferson Elementary, 7; Marchbank Park, 4; Crocker Eelementary, 1; and Lincoln Park, 0.

In the scoring, points were awarded to everyone reaching the semi-finals in each tournament. The scores were as follows: high school, 123; Jefferson Elementary, 67; Marchbank Park, 62; Crocker Elementary, 12; and Lincoln Park, 0.

Tournaments were held in basketball, free throws, basketball "21," paddle tennis, table tennis, accuracy throwing for softball, football, volleyball, checkers, jacks, jump rope, hop scotch, and O'Leary.

Winners received free swims which may be taken any afternoon this week. Those winning more than one tournament are allowed two weeks in which to receive their free swims. Award certificates were presented to all who were in the final matches.

The complete results follow:

Boys 12 - 15 — freethrows, 1st, Cecil Valverde (M), 2nd Vic. Baker (H); softball accuracy throw, 1st, Bob Kalinin (H), 2nd, Richard Sims (H); football accuracy throw, 1st, Ray Rosa (H), 2nd, Bob Miller (C); paddle tennis, 1st Leo Bricker (C), 2nd, Jack Allain (M); table tennis, 1st, Bob Kalinin (H), 2nd, Leo Gianacchini (H); basketball "21," 1st, Cecil Valverde (M), 2nd, Leo Giannecchini (H).

Boys 11 and under—free throws, 1st, Tommy Ryan (J), 2nd, Ario Gregario (J); softball accuracy throw, 1st, Billy Martinelli (J), 2nd, Bob Rocchi (J); football accuracy throw, 1st, Richard Giusti (H), 2nd, Ronald Quint (C); paddle tennis, 1st, Tommy Ryan (J), 2nd, Joe Ordanez (J); table tennis, 1st, Dick Kalinin (H), 2nd, Dewayne Soares (H); checkers, 1st, Tommy Ryan (J), 2nd, Ario Greporio (J).

D.C. Hardware Nine Defeat Geneva Merchants 4 to 3

Daly City Hardware won two baseball games last week and in one of the games the local team defeated the Geneva Merchants, the champions of the San Francisco Recreation Department's C League.

Scores of the two games were: Hardware, 4, Geneva Merchants, 3; and Hardware, 23, Unknowns, 10.

One factor in favor of the Hardware team in the game with Geneva last Friday at Marchbank Park was that the local team had the services of three Colma Senior Boys Club members — Lunghi, Valverde and Lynch. However, when the Colma team played the Geneva team earlier in the summer the local boys lost by a score of 10-3.

Highlights of last Friday's game were doubles by Buster Sherriff of the Hardware team and Haverty and Basques of the Geneva Merchants.

There was also a double play in which Lynch caught a line drive from Burke and threw it to Findlay before Rittman could return.

Highlights of the Hardware's game with the Unknowns was Alex Findlay's four for four which included a home run, a triple and seven runs batted in. There were also doubles by Kalinin, Davis, Galindo, and Sherriff.

Box score of the Hardware-Merchants game follows:

DALY CITY HARDWARE

	AB	H	R
Lunghi, 3b	2	1	2
Valverde, 2b	3	1	1
Sherriff, c	2	1	1
Findlay, 1b	3	0	0
Matzek, ss	2	0	0
Giannecchini, lf	3	1	0
Lynch, p	3	0	0
Kalinin, cf	2	0	0
Galindo, rf	3	0	0
Totals	23	4	4

GENEVA MERCHANTS

	AB	H	R
Haverty, 3b	4	3	1
Basques, ss	4	1	0
Ricci, 1b	4	0	1
Briseno, cf	3	1	1
Bursino, lf	4	1	0
Rittman, rf	1	0	0
Burke, 2b	3	1	0
Kurcich, c	3	0	0

Fritz, rf	1	0	0
Totals	29	7	3

Baseball School Is Postponed One Week

The baseball instruction school sponsored by the Daly City Recreation Department and the San Mateo County Boys' Boosters Club has been postponed from Saturday, August 30, to Saturday, September 6, because of the Labor Day week end, Elman Rose said today.

Green Skin

Little green men do not exist solely in nightmares. According to the Encyclopaedia Britannica, the complexions of the Punans, natives of Borneo, have a greenish hue because they never expose themselves to direct sunlight, but live perpetually in the half-light of the forest.

Make Use of Felt

Use felt from discarded hats for house slippers, a handbag, warm mittens for a school child. Grease spots come out of felt with dry-cleaning solvent—or the felt may be washed in mild, warm soapsuds, though this takes out some stiffness. Felt may be stretched slightly, shrunk, or molded with steam and a hot iron, and sewed by hand or machine the same as cloth. Since there is no raveling, there is no need to finish seams.

Public Libraries

We have over 6,000 public libraries containing more than a hundred million volumes. In 1943 library book circulation amounted to about four books for every person in the nation.

Senior Boys Club Plan To Attend San Mateo Banquet

The teen-age baseball players of the Colma Senior Boys' Club have had a very successful season. Last Sunday at Jackson Park they defeated Ghiselli Bros. 7-2. Last night the team had its annual banquet at the Oliver Restaurant in South San Francisco. Next Monday evening the players will attend the boys' night entertainment of the San Mateo County Boys' Boosters Club at the American Legion Hall in San Mateo.

Members of the San Francisco Seals baseball team have been invited to the Monday evening meeting and no adult will be admitted without at least one boy in his company and no boy will be admitted without an adult.

This regulation is of some worry to Joe Sarto and today he said he might have to adopt a few parents for the evening.

The Boys' Boosters for the past few months have been organizing baseball groups in San Mateo. On September 6 the leaders will come to Daly City to hold an instruction school. All boys of Daly City, Colma and vicinity have been invited.

At the last meeting of the Boosters Club held on Thursday in San Mateo Assemblyman Richard Dolwig of South San Francisco was the principal speaker. He outlined the provisions of the Youth Welfare Projects bill which he introduced at the last session of the Assembly. The bill provides for state aid in setting up municipal recreation programs.

Another speaker was Mrs. Louis Lengfeld of Hillsborough, chairman of the San Mateo American Women's Voluntary Service, who offered the use of a AWVS bus to transport boys to the Seals Stadium on Sunday when Babe Ruth makes a personal appearance.

Nurses' Pay

Forerunner of the modern U. S. medical department was the army hospital department authorized for the continental army in 1775. "Each regiment," said the order, "shall be equipped with one hospital . . . there shall be a matron with every 100 sick or wounded, to supervise nurses, bedding and so forth, and 1 nurse for every 10 sick or wounded. Matrons will receive 50 cents per day, nurses twenty-four ninetieths of a dollar."

Recorded Colors

A gamut of some 2,500 recorded colors flows from the basic pigment colors, which are red, blue and yellow; secondary — purple, orange and green; tertiary—brown, olive and blue-green. The dimensions of colors are hue, to basically distinguish one from the other; value, to distinguish light tints of a color from its dark shades, and chroma, to distinguish the intensity of bright, pure colors from subdued, grayed colors.

Turkey Feathers

Use of turkey feathers for industrial purposes apparently has a promising future. Already they are being used extensively for millinery purposes, in production of fine cloth, and in other ways.

EVEN THE MAYOR PAYS FINE AT TRAFFIC COURT

Mayor Melford D. Battye merely parked his car on Wellington avenue so he could go into his City Hall office. But he stayed longer than the 45 minute limit.

The result was a $1.50 fine which Mayor Battye paid in city court on Friday afternoon.

Forty citations for overtime parking were issued last week. One man, Ernest Brooks, received three citations.

Others cited were A. L. Armitage, E. E. Churchill, Albert Compani, Euelio Copiesa, Bill Core, Tom Castagnola, Amelia Davis, Dan De Vita, Walter Faver, Evelyn Finley, Lester Aikans, D. Garibaldi, Muriel Glassen, Thomas Jones, Ward Kirkbride, Neil Pezzola, Bert Tickbem, Thomas Pozni, June Thompson, Catherine Traverso, Charles Sassman, Jack Harrington, Referigo Ibarra, C. E. Jones, Alexander Kandor, Lawrence Madrigo, Frank Marsh, Hazel Mathews, D. C. Meradith, A. Milo, Calvin Marris, Don Auguston, Emery Olsen, Bob Plyer, John Rerecich, Iretta Rosenbaum.

Murray Moss was fined $20 for going 60 miles per hour in a 25 mile zone. Other speeding fines were: Joe Turnage, $10; Edward Tattenhen, $7.50; Diedrich Hoffman, Leonard Jensen, Irwin Randolph, Ralph Rogers, Julius Winkler, R. J. Emzensperger jr., each $5; and Ralph Arent and Albert Dardi, both $2.50.

Fined $2.50 for going through a signal were Lloyd Del Norem, Jose Gutierrez jr., William Winn, James Hogan, William Huber, James Geart, Clyde Gudkins, and Thomas Dullanty.

Roy Janssen was fined $2.50 for no lights and Leo Coleman jr. was fined $1.50 for not having a license on his person.

Fined $2.50 for not having wheel turned on a hill were Raymond Best, William Brown, Frank English, Leonard Farbar, C. A. Pennington, John Kinnaird, Arnold Lemos, R. I. Lowery, T. W. Sanders.

Fined $2.50 for angle parking was Micheli Brignardello.

Other fines were: William Fry, $2.50, safety zone; James Fox, $2.50, fire hydrant; Leonard Jensen, $1.50, overnight; Sam Kohen, Arthur Nelson jr., and Raymond Demo, $2, arterial stop; and F. Pearlstien and George Disperati, $2.50, prohibited parking.

Dolores Wakefield Guest Of Honor At Surprise Shower

Miss Dolores Wakefield, 475 Evergreen avenue, was the guest of honor at a surprise shower last Saturday evening. The shower was given by Mrs. Ruth Brians, of Salinas, an aunt of Miss Wakefield.

The young bride-to-be is engaged to Kenneth Arman, of Santa Rosa, and they will be married on September 6 in the Grace Presbyterian church.

The bride elect received many lovely gifts which will be used after the couple set up housekeeping in Santa Rosa.

Those who attended the shower were Miss Ann Robertson, Misses Barbara and Dolores Winter, Miss Betty Sorentino, Mrs. Jean Nordgren, Mrs. Florence McKay, and Mrs. Mary Wakefield.

Out of town guests were Miss Mary Young and Mrs. Tillie Brooke, of Vallejo; Mrs. Anita Bradley, of Napa; Mrs. Maude Edwards, of San Francisco; and Mrs. Ester Romani, of San Bruno.

County Democrats Seek Candidate To Oppose Anderson

Julius Castelan, a resident of Daly City and a member of the San Mateo County Democratic Central Committee, says that the County Democrats are making plans toward selection of a candidate to oppose Republican Congressman Jack Z. Anderson in next year's election.

Last Thursday the Central Committee voted to request that Robert Peckman, eighth district chairman, call a district wide meeting "within 30 days" to discuss Democratic congressional possibilities.

Castelan admits that there have been informal discussions with party leaders but there has as yet been "no commitments in favor of any candidates."

VATICAN CHOIR TO SING IN SAN FRANCISCO

One of the outstanding musical events in Northern California's history will take place on the evenings of September 23-24 in San Francisco's Exposition Auditorium, when the famed Vatican Choir, direct from Rome, makes its local appearance.

The San Francisco appearance of the choir is being dedicated to the Archbishop Hanna Center for Boys. This great project, one of the outstanding in the work of rehabilitating homeless and neglected boys, was established by His Excellency, the Most Reverend John J. Mitty, Archbishop of San Francisco, in memory of his predecessor, the late Most Reverend Edward J. Hanna, Archbishop of San Francisco..

Under the direction of Rt. Rev. Msgr. Licinio Refice, one of the world's foremost composer-conductors of litturgical music, the choir —composed of 60 selected voices— will offer a program of the Jewish and Protestant as well as that of the Catholic church.

Of the 60 voices in the choir, 24 are boys from 8 to 15 years of age, while the rest are adults. They were brought together from all over Italy, having been selected for the excellent quality of their voices.

The choir is made up of voices that sing regularly in the four major basilicas of Vatican City; St. Peters, St. John Lateran, Santa Maria Maggiore and the Sistine Chapel.

The members of the choir are a colorful group, appearing on stage in surplices and cassocks identical to those they have worn for hundreds of years. Their acapella singing, which offers the "voce bianche" or trebel voice, is as old as Christianity itself. It is reminiscent of the muffled chants which intoned the sacred congs through the catacombs where the early Christians knelt in fear of martyrdom.

Among the music of all faiths which the choir will sing, will be Msgr. Refice's recently-composed "Eulogy to the Dead of World War II." This composition has received high critical acclaim in its several renditions in the United States.

The Vatican Choir embarked upon this world tour at the behest of Pope Pius XII, through the Papal Secretary of State. Its principal objective is to foster good will and amity between peoples and nations. In making it possible for the choir to leave Vatican City on their mission of international amity, the Pope expressed the hope that through the choir, the differences that set men apart throughout the world will be subdued, and that the powerful forces which bind men of all nations and creeds together will be strengthened. For this purpose, there is no greater instrument than sacred music, he said.

Fewer Drownings

Fewer drownings would occur if no one went into the water when tired, overheated or immediately after eating.

OFF THE BLOTTER

A stolen car belonging to Frank Quilman, 271 Woodrow street, was found last week by the Boise, Idaho, police department. The car, a 1942 Studebaker, was reported stolen by Quilman in Marysville on August 3. The Boise police found the car on August 12.

The home of John Lomari, 198 West Moltke street, was ransacked between four and eight p. m. last Wednesday evening. Lomari told police that he was positive that all the doors and windows were locked when he left the house. A neighbor, however, said that he noticed a man about 50 years of age, about 5 feet 10 inches tall and wearing a gray suit near the Lomari house that evening.

A boy's light blue bicycle was reported stolen by William Simon last Thursday. The youth said the bicycle was taken from the basement of his home sometime between August 10 and 13.

Two and one half year old Ralamne Mesquete, 32 Miriam street, fell out of her crib and cut her forehead on Thursday. She was taken to the Junipero Serra Hospital and treated by Dr. Drees.

Nine year old Betty Marsh, 599 Evergreen avenue, was bitten by a dog on the right leg on Wednesday evening. She was taken to the Junipero Serra Hospital for treatment and returned home. The dog is reported to be the mother of six one week old pups.

Unknown persons shot but only injured a small dog owned by Lanny Adami, 443 Hillside boulevard, last Friday. Lanny's mother said she heard the dog whimper and when she got up she found the dog had been shot, evidently by buck shot.

Police officers questioned the neighbors in the vicinity but no one heard the shot or had seen anyone near the Adami home.

Five year old Diane Walsh, 299 Rhine street, was bitten on the lower lip by a kitten on Thursday afternoon. Officer Heim took little Diane to the Junipero Serra Hospital where she was treated by Dr. Drees. The girl's mother did not know who owned the kitten.

Richard S. Olinger, 20, 5 Bismark street, was picked up by Daly City police on Sunday on a warrant issued by City Judge Sweeney. Olinger is charged with not having his license plates properly displayed and his exhaust pipe properly muffled. He was released on $10 bail and ordered to appear in court tomorrow.

New Arrivals

To the wife of Bert G. Feist jr., Colma, August 6, a son.

To the wife of Buford Landers, 124 Rhine street, August 6, a son.

To the wife of Wilford Thiessen, Colma, August 10, a daughter.

To the wife of John T. Murphy, Colma, August 10, a daughter.

To the wife of Fred W. Brixe, 97 Castle street, August 8, a son.

To the wife of Leslie J. Dowdle, 488 Woodrow street, August 13, a daughter.

To the wife of Louis Z. Fishman, 140 Broadmoor drive, July 26, a son.

To the wife of Basil F. Foppiano, 678 Bellevue avenue, August 13, a son.

To the wife of Henry Katen, 44 Niantic avenue, August 7, a daughter.

To the wife of Carl E. Landgren, 283 Irvington street, August 2, a daughter.

To the wife of Salvatore G. Pasqualino, 89 Muirwood drive, August 12, a daughter.

To the wife of Edward D. Costa, 148 Bruno avenue, August 2, a daughter.

To the wife of Eldon L. Mason, 458-A Winchester street, August 13, a son.

To the wife of James O. Van Dyne, 388 Hillside boulevard, August 11, a son.

To the wife of Robert V. Buerg, 444 Citrus avenue, August 13, a son.

Return From Two Weeks Vacation On Russian River

Mr. and Mrs. George Hopman and their two children, Judy Ann, 7, and George W., 5, returned early this week from a two week vacation at Rio Del on the Russian River in Northern California.

The Hopmans, who live at 64 East Lake avenue, made Rio Del their headquarters and took numerous side trips to surrounding towns. Most of their time was devoted to fishing, horseback riding, swimming and boating.

Mr. and Mrs. James Dorrance, 427 Irvington street, visited the Hopmans for one week.

George Hopman is a patrolman in the Daly City Police Department.

Incidentally, Police Chief W. W. Sunderland was in Sacramento during most of his vacation this month. He had a one week vacation but he says that next year he plans on taking the two full weeks.

Curb Line, Danger Line

Consider the curb line your danger line when you're walking, the California State Automobile Association advises. Always look both directions and be sure the way is clear before you attempt to cross a street or highway.

Keep Potatoes Cool

Keep potatoes cool but not cold—at temperatures between 40 degrees and 60 degrees. Do not let them freeze.

Women Civic Club Met Wednesday At The Watson Home

The Women's Civic Club met at the home of Mrs. Rose Watson, 528 Evergreen avenue, Wednesday evening, August 13.

After the short business meeting a birthday party was held in honor of Mrs. Dora Holmberg, 215 Peoria street.

Mrs. Holmberg received many lovely gifts. Among those present were: Mrs. Ann Eason, president; Mrs. Mazie Boyle, Mrs. Margaret Fields, Mrs. Julia Byrnes, Mrs. Marie Gehrig, Mrs. Amalia Lewis, Mrs. Lillie Cavagnaro, Mrs. Dora Holmberg, and Mrs. Rose Watson.

The next meeting will be held Thursday, September 25, at the home of Mrs. Amalia Lewis, 724 Bellevue avenue.

Keep Tree Fresh

An Xmas tree can be kept fresh if you set it up in a pan of water. Cut off the base of the tree at an angle at least one inch above the original cut and keep it standing in water during the entire period that the tree is in the house, adding water to the jar or tub in which the tree stands at intervals to keep the water level always above the cut. This method when used with fresh trees reduces the flammability as effectively as any fireproofing chemicals. Chemicals may cause the tree to turn brown or yellow or to lose its needles. The place you select for your tree should be well away from stoves, radiators and other sources of heat. When you smoke, keep away from the tree.

Her EYES are taking it easy, too with a

BETTER SIGHT LAMP

It is easier to study when there's enough elbow room for comfort. A student needs plenty of desk space to spread out books and papers. But elbow room is not enough. *The eyes must take it easy too.* There are "Better Sight Lamps" made for just this situation. One is the swing-out, swivel-arm lamp that takes up no desk space and can be pulled up to shed light over the left shoulder. Or there is the tall standard student desk lamp with diffusing bowl that gives a wide spread of soft light. Now with school and college about to begin, the wise parent will see to it that good light is a part of the back-to-school equipment. Remember good light is cheap and sight is priceless.

WHY NOT TURN THE TABLES AND ANNEX PART OF SAN FRANCISCO TO DALY CITY AND SAN MATEO COUNTY?

The population of Daly City may double within the next few years. And say ten years from now San Mateo county may well be the most progressive and energetic county in the entire state. And while taxes are rising in San Francisco, taxes in this county will probably be decreasing because of an increase in population and assessed valuation.

This was the opinion of Mayor Melford D. Battye today toward the proposals of San Francisco to annex all of the land in San Mateo county north of Burlingame.

San Francisco doesn't have anywhere to go. It is hemmed in on one side by the Bay and on the other by the ocean and on the third side by Daly City, he added. Then Mayor Battye went on to say that what San Francisco should do is start a city-wide slum clearance project. This would do away with buildings which have a low assessment value. In their place would be built modern buildings and apartment houses which would raise the valuation and the taxes.

Mayor Battye thinks San Francisco has nothing else to do but to either raise the taxes or acquire more land.

Other city officials have voiced the opinion that "When the City of San Francisco can equal the $1.29 tax rate, the ten cent garbage disposal fee and the reasonable water rates we have — then, and only then — should our city consider annexation to San Francisco."

"Why should Daly City exchange a $1.29 tax rate for a $6 one?" was the view expressed by many Daly City residents.

However, several civic leaders admit that in time San Francisco and San Mateo counties will be so closely knit together that annexation of one county by the other will be inevitable.

Several Daly City residents, who want to be nameless, say that the better offer would be to incorporate the Mission and Excelsior districts into Daly City.

"We have more to offer them than San Francisco does," one man said.

"Can you just think of the City of Daly City stretching all the way from 24th street out to Colma and then out to the coast?" voiced another.

Meanwhile, the San Francisco Downtown Association, which represents 1500 merchants, sent a letter to Mayor Lapham which said in effect:

"We sold it to the Indians 100 years ago, but it looks awful good to us now."

A century ago San Mateo was created out of a part of the original County of San Francisco.

The resolution adopted by the business men went on:

"A considerable portion of the facilities of municipal operations such as the airport, water department properties, jail and recreational properties are located in San Mateo county. Putting the facilities within the county of their origin and ownership would benefit San Francisco and also San Mateo."

Orlando Poletti States That S.F. Is Flower Capital

San Francisco is fast becoming recognized as the flower capital of the United States and San Franciscans buy more flowers per capita than any other city in the nation. That was the statement made today by Orlando Poletti, a resident of Colma and proprietor of the Geneva Florist, 910 Geneva avenue.

He said that the people of San Francisco make special efforts to buy flowers on every occasion. "Men are more than ever wearing flowers in their buttonholes and women are wearing flowers in their hair. And at home there are vases of flowers everywhere," he added.

During the past month, Poletti has been celebrating his eighth anniversary in business. The young florist, just 28, opened his Geneva avenue store in 1939, after learning the trade in several San Mateo and San Francisco flower shops.

On the first week end of his anniversary he gave away 400 gardenias to ladies visiting his shop. During other week ends he gave away free 428 Hawaiian Vanda orchids which were especially imported from the Islands for the occasion.

"It is our intention to continue giving the people quality flowers and the best dollar value possible," Poletti remarked today.

Patricia Ann Is New Arrival At The Torres Home

A seven pound 11 ounce baby girl, Patricia Ann, was born to Mr. and Mrs. Frank J. Torres, 257 Los Olivos avenue, at 6 a. m. on August 12 at the St. Mary's Hospital.

S. M. Junior College Starts Work On Coyote Point Base

San Mateo Junior College has started work on the Merchant Marine Cadet School buildings, making slight changes that will prepare the Coyote Point Base for junior college students in September. The Junior College has obtained the use of the two million dollar plant from the U. S. Maritime Commission, and will now have three campuses, connected by buses, capable of enrolling two thousand students or more.

The Junior College needed the additional space to provide for the numerous veterans who have returned to college and for the high school graduates on the Peninsula who have increased with the growth of the Peninsula population.

At the Coyote Point campus, the Junior College will have badly needed office and classroom space, dormitories for single men, a dining room for the roomers and day students alike, an infirmary, and added athletic facilities in the form of a modern gym, swimming pool, and athletic fields.

President Charles Morris and a corps of faculty members have been busy making final plans and arrangements for the use of the new campus.

Entrance examinations for new students will be given at the Junior College Saturday, September 6, while registration day has been set for September 10.

General Pay Boost For County Workers Is Denied By CSC

A ten per cent general pay boost for county employes was rejected last Friday by the San Mateo County Civil Service Commission. The decision was reached after a two hour debate.

At the same time the commission also stated that wage boosts will not be considered except in time for the new budgets and added that the plans of other areas could not be taken into consideration in comparing salary scales in this county.

Chairman Albert H. Randall said that "a detailed survey of salaries in the county and municipal governments in our vicinity discloses that the wages and salaries of San Mateo County employes at present levels are entirely in line."

The ten per cent wage boost was asked by the American Federation of State, County and Municipal Employes Union, Local 829.

Eagles Day At The State Fair

The Fraternal Order of Eagles will have their day at the California State Fair on Sunday, August 31, according to announcement by Leonard Hooper, of Oakland, who will be chairman of the day.

The Eagles will sponsor drum corps and drill team competitions and a horseshoe pitching contest, Hooper said.

Preceding the night show before the grandstand, Senator Earl Desmond of Sacramento, State President of the Fraternal Order of Eagles, will lead the audience in a pledge of allegiance to the flag. This will be followed by the call to colors by the Eagles' drum corps as the flag is illuminated by a spotlight.

Last-Minute Seasoning

Add the fat for flavoring vegetables either just before the vegetables come off the stove or after you have them in a serving dish. You can get more seasoning effect from less fat that way.

Mrs. Mosman And Daughter Return From Minnesota

"It was only 102 in the shade for a few days. Outside of that the weather was quite comfortable."

That was the view expressed today by Mrs. Evelyn Mosman, 232 Hillcrest drive, who has just returned from a two weeks vacation in Minnesota.

Mrs. Mosman, who is a clerk in the office of City Clerk B. C. Ross, was accompanied on her trip to the Middle West by her daughter, Marilyn. They were gone from Daly City from August 3 to 16.

"It was so hot in Minnesota that there was not enough water to sprinkle the lawns," she said. "It is also one of the driest years on record and the corn crop back there is practically gone. I don't see what the people will do for food this winter and there just isn't enough corn for overseas relief either. It is all the result of no rain since the first of July."

She said the leaves on the corn stalks throughout the Middle West and especially in Minnesota are all dried up and the corn stalks are barely one foot high.

Mrs. Mosman and her daughter spent most of their vacation at Montecello, Minnesota, a small town some thirty miles outside of Minneapolis. Mrs. Mosman's grandmother and most of her relatives live there.

Young Marilyn was especially interested in the ways of life of the Swedish and Norwegian people in Minnesota and their forms of recreation.

New Light on Beef Grading

Fluorescent lighting has been found an effective aid in speeding up beef grading, and packers are reported shifting to this type of illumination to assist busy graders whose inspections determine the price of beef.

New Daughter At The Landgren Home

Evalyn Elizabeth was the name given to the daughter born to Mr. and Mrs. Carl E. Landgren, 283 Irvington street, at Mary's Help Hospital last Saturday evening. Maternal grandparents are Mr. and Mrs. Daniel M. Gilbrech, 544 Hanover street.

Youngster Starts Out On Long Trip On Just A Tricycle

Three year old Jimmy Hamilton set out from his home at 152 Woodrow street last Tuesday on his little red tricycle to visit his father in Burlingame and ended up in San Mateo.

Little Jimmy was picked up on the Junipero Serra boulevard by a passing motorist, Mrs. Marie Mixon, San Francisco. Jimmy at that time was busy peddling down the boulevard near the Colonial Inn, outside Daly City, and about a mile from his home.

Mrs. Mixon said the little tyke told her his father worked in Burlingame but she did not know where the Burlingame police station was so she turned little Jimmy over to Captain Martin McDonald of the San Mateo police station.

Captain McDonald radioed the Daly City police department and they immediately sent an officer to return Jimmy to his home.

There and one half year old Patsy Silver, 119 Hillcrest drive, also wondered away from her home last week. She was found in the Ocean View District and was taken to the Ingleside Station. She was later taken home.

Presidential Omen

Neither political party in the 60-year period has reelected its candidate for the presidency immediately after losing an off-year election.

Driver Has License Suspended For 30 Days; Also Fined

Edward Duffy, a Palo Alto building contractor, was fined $125 and had his driver's license suspended for 30 days by City Judge William J. Sweeney in court last Friday. Duffy was arrested on August 8 on a charge of driving while under the influence of liquor, north on Mission street from Valley to Market.

Edward L. Hallenbeck, San Francisco, was arrested on a similar charge on August 3. He was charged with driving in a very erratic manner north on Mission street from School street to Vista Grande avenue. In court Hallenbeck, who was represented by counsel, pleaded not guilty to this charge. His charge was reduced from drunken driving to being drunk in and about an auto. Judge Sweeney fined Hallenbeck $50.

Five people were arrested during the week on charges of being drunk in a public place. As none of them appeared in court on Friday their bail was forfeited. Clarence R. Beall jr., Elaine Clifton, Melford M. Smith, and Joe Josephs each forfeited $10 bail while James Powers forfeited $5 bail.

Similar to Onions

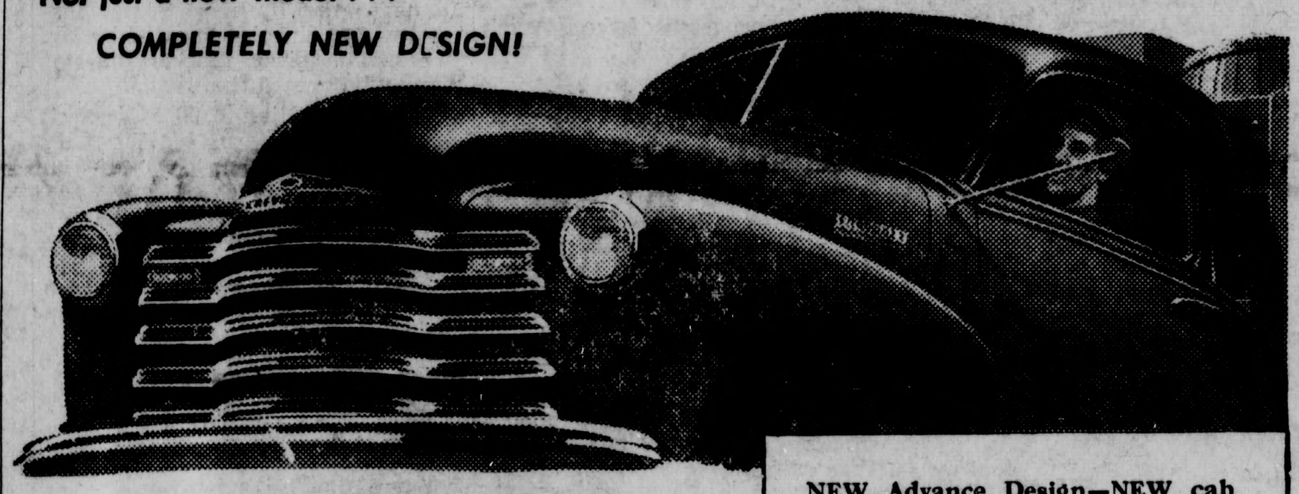
Leeks are very similar to nonbulbing onions, except that the leaves are flat instead of round and hollow. They are used in soups, stews and in any other way that green onions are used. They are generally grown from seeds, the same way as onions.

Arizona's Topography

Three distinctive physical areas make up Arizona—lofty plateaus and great canyons in the north, high mountain ranges in the central section and plains and desert country in the south.

Not just a new model . . .

COMPLETELY NEW DESIGN!



CHEVROLET

Only Advance-Design Chevrolet trucks offer all these

NEW TRUCK FEATURES

Come in and see . . .

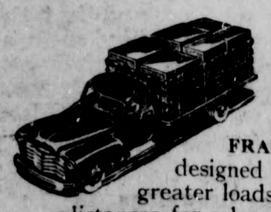
NEW Advance Design—NEW cab that "breathes"—NEW Uniweld, all-steel construction—NEW durable, fully adjustable seats—NEW 22% greater visibility—NEW Flexi-Mounted cab—NEW stronger frames—NEW increased load space in panels and pick-ups—NEW efficient loading in stake and high rack bodies—NEW thorough sealing and insulation—plus scores of other NEW features too numerous to mention!

THE CAB THAT "BREATHES"—fresh air is *drawn in* from the outside—heated in cold weather—and used air is *forced out!**

The new FLEXI-MOUNTED CAB is cushioned on rubber against road shocks, torsion and vibration!

DRIVER'S COMPARTMENT is wider, with more leg room—the seats are fully adjustable, bigger and more comfortable. Wider, deeper WINDSHIELD and WINDOWS increase visibility by 22%! Rear corner windows, permitting even greater visibility, available as optional equipment at extra cost.

Advance Design in pick-ups and panels gives INCREASED LOAD SPACE—stake and high rack bodies have MORE EFFICIENT LOADING!



New, stronger FRAMES are designed to carry greater loads greater distances for a longer time!

LONGER WHEELBASES assure better load distribution!

**Fresh-air heating and ventilating system optional at extra cost.*

Famous FULL-FLOATING HYPOID REAR AXLES are geared for the load and the road!

Chevrolet's VALVE-IN-HEAD TRUCK ENGINES are world's most economical for their size. The HYDRAULIC TRUCK BRAKES are *exclusively* designed for greater brake-lining contact!

CHEVROLET TRUCKS *with the Cab that "Breathes"*

DALY CITY 25, CALIFORNIA

Daly City Record

THURSDAY, AUGUST 21, 1947

Marine Corps To Hold 15-Day Meet At Oceanside, Cal.

Two hundred Marine Corps Reserve enlisted men and officers from the Bay Area's 12th Infantry and Amphibian Tractor battalion will board a troop train Saturday at the Santa Fe Railroad Station, Richmond, enroute to the first postwar active duty period for Marine Corps Organized Reserve units west of the Mississippi River.

The 15-day training will be held at the world's largest Marine Corps training base, Camp Pendleton in Oceanside, California.

According to information received from the reserve battalions, approximately 70 per cent of the reservists to attend the training period have had no previous combat training. They will receive training from regular Marine Corps instructors.

Marine Reserve Lieutenant Colonels George P. Chapman and Edward A. Clark, commanding officers for the 12th Infantry and "Amtrack" battalions respectively, will be in charge of the southbound troop train.

Marine Reserve Privates James P. Watso, 144 Irvington street, and Robert C. Benassini, 99 Cavour street, both of Daly City, will attend the active duty period.

Black Bass Taken

Black bass fishing has been good recently in Stoney Gorge Reservoir, Glenn county, reports National Automobile Club. Many 4 and 5 pounders have been caught on under surface plugs.

World's Motor Vehicles

Of the 45 million motor vehicles in use throughout the world in 1946, nearly 34 million were in the United States, reports the National Automobile Club.

Disabled Vets Have Allowed Insurance To Lapse

Some veterans who are totally disabled have allowed their National Service Life Insurance to lapse without realizing that they may be eligible to have the coverage continued in force without cost to them, Floyd D. Granger, Veterans Service Officer said today.

Also, beneficiaries of deceased veterans who died while totally disabled may in some cases find that they can obtain the full proceeds of policies which they thought had been lost to them because the veteran had allowed his insurance to lapse.

Claims for waivers must be filed by August 1, if policies lapsed more than a year ago. Otherwise, the time limit for applications is one year.

A veteran who is totally disabled for six months or more is entitled to a waiver of premiums, Granger explained. Such a veteran can apply for reimbursement of all premiums he has paid during the period of disability, and if he is still disabled a lapsed policy can be reestablished free of charge.

For beneficiaries to be able to obtain the proceeds of a lapsed policy, the veteran must have been disabled for at least six months, the insurance must have been in force at the time he was disabled, and the disability must have continued until death.

Granger urged veterans or beneficiaries interested in determining their rights in connection with insurance or other veterans' benefits to call at the Veterans Service Office, located at San Mateo County Courthouse, Redwood City, for a personal interview.

News Column For The Vets

The Veterans Administration in California has guaranteed 98,086 loans for veterans valued at $738,039,000, more than any other state in the nation.

The majority of the loans, 90,390, have been granted for the purchase or building of veterans' homes. Business loans total 6,899 and farm loans 797.

Because of the large number of home loans guaranteed in California VA recently conducted a survey to determine the 10 questions most frequently asked by World War II veterans about G. I. home loans.

The questions and answers follow:

Q. Where should a veteran go to get a G.I. home loan?

A. He first must find a bank or savings and loan association or other private lenders willing to make the loan.

Q. Where does the Veterans Administration come in?

A. VA guarantees up to $4,000, but no more than half the loan, made by the private lender to the veteran. This guaranty helps protect the lender from loss. VA does not lend money to the veteran.

Q. How much can the veteran borrow?

A. As much as the lender is willing to lend, but the maximum VA guarantee will be $4,000.

Q. What are some of the advantages of a G.I. home loan to the veteran?

A. (1) Because of the VA guaranty, the lender is more willing to make a loan; (2) the VA guaranty encourages the lender to make the loan without requiring a down payment, and (3) the interest rate (4 per cent maximum) is low.

Q. Doesn't the veteran also get a gratuity payment of some kind?

A. Yes, VA pays to the lender, for credit to the veteran's loan, an amount equal to 4 per cent of the guaranteed portion of the loan. For example, if the guaranteed portion is $3,000, the lender will receive $120 from VA to credit to the debt of the veteran.

Q. Must the veteran have cash to make a down payment?

A. No, but if a down payment is required by the lender, it will not prevent the veteran from obtaining a guaranteed loan.

Q. Who pays the appraiser's fee?

A. The veteran. This fee usually is about $15 or $20.

Q. Can a veteran join with a non-veteran to buy a two-family home?

A. Yes, provided the veteran's interst is properly protected to prevent any loss to him in event the non-veteran defaults.

Q. How about a loan where the FHA insures the first mortgage for say 80 per cent of the price of the house and the veteran wishes to borrow additional money to cover the balance?

A. VA can guaranty a secondary loan for the balance, provided the secondary loan does not exceed 20 per cent of the purchase price.

Q. Can a veteran repay all or part of his loan at any time during the life of the loan?

A. Yes, and without paying any fee or premium.

Trout Limits Taken

Many lmits of trout, both weight and number, are being taken from the higher lakes in Mono county, reports National Automobile Club. Large Loch Levens are being taken from Grant Lake, and many fine catches are being made on Twin Lakes by bait, flies, and trolling.

Be Alert

Vigilance is the price of safety in traffic, the California State Automobile Association warns. When walking or driving, be alert for what the other fellow may do—and at all times, Take It Easy.

Generator Rate

The charging rate of an automobile generator should not be increased above factory recommendations, the California State Automobile Association warns. A generator rate which is too high may damage both the generator and the battery.

SAN JOAQUIN COUNTY FAIR OPENS AUGUST 16

The 26th annual San Joaquin County Fair today rolled majestically towards its grand opening Saturday (August 16) with the most elaborate entertainment program and the most extensive displays in the exposition's history.

All major exhibiting departments were due to either set new records or to equal the marks of the gala pre-war years. The livestock show will present nearly 1300 blooded animals, competing for $49,000 in prize money. The poultry and rabbit show will pay exhibitors nearly $20,000 for birds totaling nearly 5000. The flower show will set new records with premium moneys highest in history of the local show. The night horse show on the last five nights of the Fair has an entry list of more than 400 horses, some traveling from as far away as Connecticut. An abundant supply of canning sugar is expected to insure a new record in the domestic science departments where premiums have been raised more than 30 per cent above those paid previously.

At least two world champions, Gene Rambo, all-round cowboy champ; and Jerry Ambler, saddle bronc title-holder, will headline the entry list for the night rodeo on the opening four nights of the exposition.

In the all-important agricultural section, all farm communities of the county are taking part for the first time since 1940. Community awards available have been boosted 40 per cent.

One of the feature attractions of the Fair will be the "Calf Scramble" to be held Tuesday evening, August 19, as one of the top spots of Farm Bureau Day. Sixteen teenage Four-H Club members will attempt to capture eight calves released in the main show ring. Captor of the calf becomes owner but he must exhibit the calf at the 1948 fair in the breeding section or place it up for auction. Money from the auction goes for the boys education or to purchase other livestock. The event will be held during the night rodeo program. On Stockton Day, August 21, a similar event will be held for boys of the Future Farmers of America.

Another important attraction will be the dog show Sunday, August 17, in which 548 dogs representing eighty breeds will take part in one of the West's largest out-door dog shows.

The final day of the Fair, August 24, will be headlined by an All-western Show in which more than 800 horses and riders from Central California and bay section mounted groups will take part. The fair will close with a lavish fireworks display the evening of August 24.

A full program of running and harness racing with pari-mutuel wagering will be held every day except Sundays.

E. G. Vollmann is secretary-manager of the exposition and Dempsey Smith of Lodi is chairman of the board of directors.

Defective Spark Plugs

Old, badly burned or fouled spark plugs will cause poor car performance and low gasoline mileage, the California State Automobile Association points out.

Still Most Dangerous

The most dangerous of all driving regulation violations remains that of right-of-way theft, states the National Automobile Club. Approximately one-fourth of all traffic mishaps involve a breach of the right-of-way rule.

White at Night

Here's a safety tip from the California State Automobile Association — when crossing a dark street or walking along a highway at night, carry a newspaper or handkerchief in your hand. An automobile driver will see you much sooner if you wear or show something white.

B.F.Goodrich Tires
Now at LESS than PREWAR PRICES!

Better come a'running at fire engine speed because every mile you're not on B. F. Goodrich Silvertowns you're the loser. People say we're prejudiced when we tell them the new Silvertown is the king pin of the highway; that is, they do until they find their car rolls *thousands of miles* farther than on any tire they ever used. They are flabbergasted when we tell them Silvertowns are sold at less than prewar prices.

OUTWEAR PREWAR TIRES!

There's a secret to the Silvertown's superior performance . . . it's the wider, huskier "road level" tread. Better stopping! Less wear! More mileage! Lower cost per mile! Put your car on B. F. Goodrich Silvertowns.

Every B.F.Goodrich Tire Carries This LIFETIME GUARANTEE
"Every tire or tube of our manufacture bearing our name and serial number is guaranteed to be free from defects in workmanship and material without limit as to time or mileage."

WHERE TO GO --- WHAT TO SEE --- WHAT TO DO

California's county fair season continues to flourish and the line-up for the coming week end of August 22, 23, 24 gives the week-end traveller a wide variety from which to choose. The Travel and Recreation Committee of the California State Chamber of Commerce reports that the fairs are bigger and better than ever this year, with programs of entertainment and special features for the entire family.

Now is the perfect time for a summer week-end trip, taking in one or more of the many events scheduled. But DON'T FORGET—the forest fire hazard is particularly great this year, and this time of year—be your own ranger and fire warden and do YOUR part to "KEEP CALIFORNIA GREEN AND GOLDEN."

CRESCENT CITY: Del Norte County Fair, August 21-24. A full division fair with livestock divisions, horse show, community exhibits, agriculture, horticulture, floriculture, domestic arts, domestic science, poultry, lumber and mineral exhibits.

HAYFORK: Trinity County Fair. August 23-24. Dubbed the "fair on horseback" because many of the visitors come on horseback due to lack of carrier transportation this fair includes, livestock, agriculture, horticulture, floriculture, domestic science, domestic arts, garden clubs, community booths, horse show and carnival.

NAPA: Napa District Fair. August 21-24. Seventeenth annual. Features include a horse show at 2 and 8 p. m. Saturday, a rodeo at 2 and 8 p. m. Sunday. Displays include agricultural and horticultural exhibits, a Wine Temple, flower show, home economics, livestock and poultry exhibits. Leo Carillo will head a revue Friday night at August 22-24. The 50th anniversary of the city of Richmond will be celebrated with a three-day program sponsored by the Contra Costa Sheriff's Posse. Opening the celebration at 10 a. m. Friday will be a raid by "Joaquin Murrietta" and his gang; a charity fashion carnival, featuring costumes of the 8 and the Silverado Folk Dancers will perform Saturday night. There will be a carnival every day of the fair.

RICHMOND: Golden Jubilee. days of '49, will take place Friday afternoon at the Mira Vista Country Club; Saturday, 11:30 a. m. a freak parade, 9 p. m. a costume ball at Alvarado Park with crowning of Golden Jubilee Queen; Sunday, 10 a. m. parade; 1 p. m. Horse Show. A kangaroo court, hillbilly band contest, cow milking contest, firemen's competition, street dancing, concessions, tribal dances by full-blooded Pueblo Indians are all on the program.

STOCKTON: San Joaquin County Fair continues through August 24. Livestock show, full dress horse show, harness and running races, all-Western horse show, August 24.

Fishing at Topaz Lake

Fishing has been first-rate lately at Topaz Lake, Mono county, reports National Automobile Club. Anglers trolling from boats with Davis Spinners and Flatfish have had the best luck.

Wheel Alignment

Front wheels of an automobile should be checked for correct alignment at reasonable intervals, the California State Automobile Association advises. Proper alignment makes steering easier and protects tires from abnormal wear.

AMERICA'S OUTSTANDING OUTBOARD!
IT'S THE NEW
Martin
OUTBOARD MOTOR
See it now!
● It's truly remarkable! You won't believe it until you see it. It's one motor that does what you always thought it would take two motors to do. It carries you over the water at speeds that take your breath away and it throttles down to perfect, crawling, mile-an-hour trolling.
It's the new MARTIN MOTOR . . . flood-proof, sputter-proof . . . instant starting. Its sparkling performance secret lies in a revolutionary new principle . . . *mechanically-controlled poppet valves!*
MARTIN gives you everything you would ordinarily expect in an outboard motor, plus many highly-important exclusive features.

Beauties Await State Fair

Pretty Sally Standley can sit with our horse any time she pleases. Dr. D. F. Herspring, owner of Worthileaf, thought the idea was alright too. The horse seems to be enjoying the presence of the glamorous Sally. Worthileaf is entered in the harness races at the California State Fair Racing program in Sacramento, August 28 through September 7.

Maritime Service Offers Instruction

Instruction in Loran, new revolutionary aid to navigation, has been resumed by the Radar and Loran School of the United States Maritime Service. The school, until recently operated in San Francisco, is now functioning in improved quarters at the U. S. Maritime Service Training Station at Alameda.

Loran equipment is being installed aboard an increasing number of west coast vessels. As a highly accurate navigational system, it was recently accorded major international endorsement at the important International Meeting on Marine Radio Aids to Navigation held in New York and New London.

Licensed deck officers of the Merchant Marine may avail themselves of the free one-week training by registering for the course at the enrolling office, 1000 Geary street, San Francisco.

Klamath River Fishing

Anglers have been taking both steelhead and salmon recently from the Klamath River, Del Norte county, reports the National Automobile Club. Although commercial catches of salmon have been heavy off the mouth of the river, more steelhead than salmon are being taken from the river, especially near Klamath Glen.

Turning Into Driveways

Motorists close to home are still close to danger, warns the Public Safety Department of the National Automobile Club. Before turning into their driveways they should take a good look about them and should make the proper arm signals in a clear and unmistakable way.
